Plantastic Garden started in 2020, based in Graha Raya Bintaro, South Tangerang, and we're passionately committed to elevating spaces with nature. We offer a full range of services—including sourcing high-quality ornamental plants, designing creative landscaping projects, providing expert plant styling, and handling convenient rentals for events—because we're committed to being your go-to green partner. True to our tagline, "**Fantastic Plants from Our Garden**," we always make sure you get the very best plants and professional service that truly adds significant value and style to any setting.
